Multiplayer Gunfire Reborn FPS, Roguelite, Co-op, Online Co-Op Space Hulk: Deathwing Enhanced Edition Action, Warhammer 40K, Co-op, FPS STAR WARS Jedi: Fallen Order™ Action-Adventure, Souls-like, Third Person, Swordplay Page 4 You can request a refund for nearly any purchase on Steam—for any reason. Maybe your PC doesn't meet the
hardware requirements; maybe you bought a game by mistake; maybe you played the title for an hour and just didn't like it. It doesn't matter. Valve will, upon request via help.steampowered.com, issue a refund for any reason, if the request is made within the required return period, and, in the case of games, if the title has been played for less than
two hours. There are more details below, but even if you fall outside of the refund of your purchase within a week of approval. You will receive the refund in Steam Wallet funds or through the same payment method you used to make the
purchase. If, for any reason, Steam is unable to issue a refund via your initial payment method, your Steam wallet will be credited the full amount. (Some payment method, your Steam in your country may not support refunding a purchase back to the original payment method. Click here for a full list.) The Steam refund offer, within two
weeks of purchase and with less than two hours of playtime, applies to games and software applications on the Steam store. Here is an overview of how refunds work with other types of purchases. Refunds on Downloadable Content (Steam store content usable within another game or software application, "DLC") DLC purchased from the Steam store
is refundable within fourteen days of purchase, and if the underlying title has been played for less than two hours since the DLC was purchased, so long as the DLC has not been consumed, modified or transferred. Please note that in some cases, Steam will be unable to give refunds for some third party DLC (for example, if the DLC irreversibly levels
up a game character). These exceptions will be clearly marked as nonrefundable on the Store page prior to purchase. Refunds on In-game purchases steam will offer refund for in-game item has not been consumed, modified or transferred. Third-
party developers will have the option to enable refunds for in-game items on these terms. Steam will tell you at the time of purchase if the game developer has opted to offer refunds on the in-game items on these terms. Steam will tell you at the time of purchase if the game developer has opted to offer refunds on the in-game items on these terms.
pre-purchase a title on Steam (and have paid for the title in advance), you can request a refund at any time prior to release of that title. The standard 14-day/two-hour refund period also applies, starting on the game's release date. Steam Wallet Refunds You may request a refund for Steam Wallet funds within fourteen days of purchase if they were
purchased on Steam and if you have not used any of those funds. Renewable Subscriptions For some content and services, Steam offers periodic (e.g. monthly, yearly) access that you pay for on a recurring basis. If a renewable subscription has not been used during the current billing cycle, you may request a refund within 48 hours of the initial
purchase or within 48 hours of any automatic renewal. Content is considered used if any games within the subscription have been used, consumed, modified or transferred. Please note that you can cancel an active subscription at any time
by going to your account details. Once cancelled, your subscription will no longer automatically renew but you will retain access to the content and benefits of the subscription through the end of your current billing cycle. Steam Hardware Within the applicable time frame and process identified in the Hardware Refund Policy, you may request a
refund for Steam hardware and accessories purchased on the Steam. Refunds on Bundles You can receive a full refund for any bundle purchased on the Steam Store, so long as none of the items in the bundle includes an in-game item or
DLC that is not refundable, Steam will tell you if the whole bundle is refundable during check-out. Purchases made outside of Steam (for example, CD keys or Steam wallet cards purchased from third parties). VAC Bans If you have been banned by VAC (the Valve Anti-Cheat system)
on a game, you lose the right to refund that game. Video Content We are unable to offer refunds for video content on Steam (e.g. movies, shorts, series, episodes, and tutorials), unless the video within the standard 14-day/two-hour refund
period. Redeemed gifts may be refunded under the same conditions if the gift recipient initiates the refund. Funds used to purchase the gift will be returned to the original purchaser. Swordplay Page 7 Valve respects the privacy of its online visitors and customers of its products and services and complies with applicable laws for the European Union General Data Protection Regulation ("GDPR"), the UK GDPR, and the Swiss
and EU Privacy Shield Frameworks. 1. Definitions Wherever we talk about Personally Identifying Information. Valve also processes anonymous data,
aggregated or not, to analyze and produce statistics related to the habits, usage patterns, and demographics of customers to which it relates. Valve may share anonymous data does not allow the identification of the customers to which it relates. Valve may share anonymous data does not allow the identification of the customers to which it relates.
Privacy Policy shall have the meanings defined in the Steam Subscriber Agreement ("SSA"). 2. Why Valve Collects and Processes Data Valve Collects and Data for the following reasons: a) where it is necessary for the performance of our agreement ("SSA").
 and Services; b) where it is necessary for compliance with legal obligations that we are subject to (e.g. our obligations to keep certain information under tax laws); c) where it is necessary for the purposes of the legitimate and legal interests of valve or a third party (e.g. the interests of our other customers), except where such interests are overridden
 mechanisms are available to you as a user (section 6. below). 3. The Types and Sources of Data We Collect 3.1 Basic Account Data When setting up an Account, Valve will collect your email address and country of residence. You are also required to choose a user name and a password. The provision of this information is necessary to register a Steam
security code) to Valve, which Valve will process and transmit to the payment service provider for the same reasons. 3.3 Other Data You Explicitly Submit We will collect and process Personal Data whenever you
you request information or support from us or purchase Content and Services from us, including information necessary to process your orders with the relevant payment merchant or, in case of physical goods, shipping providers; Information you provide to us when participating in competitions, contests and tournaments or responding to surveys, e.g.
your contact details. 3.4 Your Use of the Steam Client and Websites We collect a variety of information through your general interactions and device information, data collected through automated electronic interactions and
 "Content-Related Information" includes your Steam ID, as well as what is usually referred to as "game statistics". By game statistics we mean information about the device you are using, including what operating system you are using, device settings, unique device
identifiers, and crash data. 3.6 Tracking Data and Cookies We use "Cookies", which are text files placed on your computer, and similar technologies (e.g. web beacons, pixels, ad tags and device identifiers) to help us analyze how users use our services, as well as to improve the services we are offering, to improve marketing, analytics or website
functionality. The use of Cookies is standard on the internet. Although most web browsers automatically accept cookies, the decision of whether to accept or not is yours. You may refuse the use of cookies by selecting
the appropriate settings on your browser. The management of the use of cookies for each browser is further detailed on the following help page: . However, please note that if you do this, you may not be able to access the full functionality of our websites. When you visit any of our services, our services, our services, our services, our services, our services, our services the full functionality of our websites.
automatically assigned to the network your computer is part of. 3.7 Content Recommendations We may process information collected under this section 3 so that content, products and services shown on the pages of the Steam Client can be tailored to meet your needs and populated
 with relevant recommendations and offers. This is done to improve your customer experience. You can prevent the processing of your data in this way by turning off the automatic loading of the Steam store page and of Steam notifications in the "Interface" section of the Steam Client settings. Subject to your separate consent or where explicitly
permitted under applicable laws on email marketing, Valve may send you marketing messages about products and services offered by Valve to your email address. In such a case we may also use your collected information to customize such marketing messages and which links in
 their text you followed. You can opt out or withdraw your consent to receive marketing emails at any time by either withdrawing the consent on the same page where you previously provided it or clicking the "unsubscribe" link provided in every marketing email. Alternatively, you can select what kinds of emails you wish to receive on the email setting
page. 3.8 Information Required to Detect Violations We collect certain data that is required for our detection, investigation and prevention of fraud, cheating and other violations We collect certain data that is required for our detection, investigation and prevention of fraud, cheating and other violations We collect certain data that is required for our detection, investigation and prevention of fraud, cheating and other violations of the SSA and applicable laws ("Violations"). This data is used only for the purposes of detection, investigation, prevention and, where applicable, acting on of such
 Violations and stored only for the minimum amount of time needed for this purpose. If the data indicates that a Violation has occurred, we will further store the data for the establishment, exercise or defense of legal claims during the applicable statute of limitations or until a legal case related to it has been resolved. Please note that the specific data
stored for this purpose may not be disclosed to you if the disclosure will compromise the mechanism through which we detect, investigate and prevent such Violations. 4. How Long We Store Data We will only store your information as long as necessary to fulfil the purposes for which the information is collected and prevent such Violations.
applicable law provides for longer storage and retention period — for the storage and retention period by law. After that your Personal Data will be deleted, blocked or anonymized, as provided by applicable law. In particular: If you terminate your Steam User Account, your Personal Data will be marked for deletion except to the degree legal
requirements or other prevailing legitimate purposes dictate a longer storage. In certain cases, Personal Data cannot be completely deleted in order to ensure the consistency of the gameplay experience or the Steam Community Market. For instance, matches you have played that affect other players' matchmaking data and scores will not be deleted;
rather, your connection to these matches will be permanently anonymized. Please note that Valve is required to retain certain transactional data under statutory commercial and tax law for a period of up to ten (10) years. If you withdraw your consent on which a processing of your Personal Data or of the Personal Data of your child is based, we will
delete your Personal Data or respectively the Personal Data of your child without undue delay to the extent that the collection and processing of your Personal Data, we will review your objection and delete your Personal Data that we
processed for the purpose to which you objected without undue delay, unless another legal basis for processing and retaining this data exists or unless applicable law requires us to retain the data. 5. Who Has Access to Data Valve does not sell Personal Data we
 collect as necessary for the following business purposes. 5.1 Valve and its subsidiaries may share your Personal Data with each other and use it to the degree necessary to achieve the purposes listed in section 2 above. In the event of a reorganization, sale or merger we may transfer Personal Data to the relevant third party subject to applicable laws.
5.2 We may also share your Personal Data with our third party service providers that provide customer support services in connection with goods, Content and Services distributed via Steam. Your Personal Data will be used in accordance with this Privacy Policy and only as far as this is necessary for performing customer support services. 5.3 In
 accordance with internet standards, we may also share certain information (including your IP address and the identification of Steam content delivery network providers enable the
operators analyze how visitors use the site. a complete IP address be transferred to a Google server in the United States and shortened there. On behalf of the website operator, Google will use this information for the purpose of evaluating the website activity and internet usage for
 website operators. Google will not associate the IP address transferred in the context of Google Analytics with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser. However, please note that in this case you may not be able to use the full functionality of this website. You can learn
more about how Google Analytics collects and uses data at www.google.com/policies/privacy/partners. Furthermore, you can prevent Google's collection and processing of data about your use of the website, by downloading and installing the browser plug-in through the following link: . 5.5 We make certain data related to your Steam User Account
available to other players and our partners through the Steamworks API. This information can be accessed by anyone by querying your Steam ID. At a minimum, the public persona name you have received a ban for cheating in a multiplayer
game. The accessibility of any additional info about you can be controlled through your Steam Community user profile page can be accessed automatically through the Steamworks API. In addition to the publicly available information, game developers and publishers have access to certain information from
the Steamworks API directly relating to the game in question. Depending on which Steamworks services are implemented in the game it may also include leaderboard information, your progress in the game, achievements you have completed, your
multiplayer game matchmaking information, in-game items and other information needed to operate the game and provide support for it. For more information on what Steamworks services a specific game has implemented, please review its store page. While we do not knowingly share Personally Identifying Information about you through the
Steamworks API such as your real name or your email address, any information you share about yourself on your public Steam Profile can be accessed through the Steam community includes message boards, forums and/or chat areas, where users can exchange ideas and
communicate with each other. When posting a message to a board, forum or chat area, please be aware that the information is being made publicly available online; therefore, you are doing so at your own risk. If your Personal Data is posted on one of our community forums against your will, please use the reporting function and the Steam help site
to request its removal. 5.7 Valve may allow you to link your Steam User Account to an account to the degree allowed by your consent at the time. If the
linking of the accounts requires the transmission of information about your person from Valve to a third party, you will be informed about it before the linking and the transmission of your information. The third party's use of your information will be subject to the third party's
privacy policy, which we encourage you to review. 5.8 Valve may release Personal Data to comply with court orders or laws and regulations that require us to disclose such information. 6. Your Rights and Control Mechanisms The data protection laws of the European Economic Area, United Kingdom, California, and other territories grant their
residents certain rights in relation to their Personal Data. While other jurisdictions may provide fewer statutory rights, we make the tools designed to exercise such rights available to our customers worldwide. (When we talk about the GDPR in this section, we mean the version of the GDPR that applies to you in the EU or UK). To allow you to exercise
your data protection rights in a simple way we are providing a dedicated section on the Steam support page at and choose the menu
items My Account -> Data Related to Your Steam Account. In most cases, you can access, manage, or delete Personal Data in the Privacy Dashboard, but you may also contact Valve with questions or requests via the contact processes described in sections 8 and 10 below. As a resident of the European Economic Area or United Kingdom you have the
following rights in relation to your Personal Data: 6.1 Right of Access. You have the right to access your Personal Data is retained, (ii) access to and/or (iii) duplicates of the Personal Data retained. You can use the right to access to your Personal Data is retained.
Data through the Privacy Dashboard. If the request affects the rights and freedoms of others or is manifestly unfounded or excessive, we reserve the right to charge a reasonable fee (taking into account the administrative costs of providing the information or communication or taking the action requested) or refuse to act on the request. 6.2 Right to
 Rectification. If we process your Personal Data, we shall endeavor to ensure by implementing suitable measures that your Personal Data is inaccurate or incomplete, you can change the information you provided via the Privacy Dashboard. 6.3. Right to
 Erasure. You have the right to obtain deletion of Personal Data concerning you if the reason why we could collect it (see section 2. above) does not exist anymore or if there is another legal ground for its deletion via the Steam support page
You can also request the deletion of your Steam user account via the Steam user account, you will lose access to Steam user Account, subscriptions and game-related information linked to the Steam user account via the Steam user account, so access other services you are using
the Steam User Account for. We allow you to restore your Steam User Account during a grace period of 30 (thirty) days from the moment you request deletion of your loss of your account credentials or due to hacking. During the suspension period
complicated. Namely, if your account has a business relationship with Valve, such as due to your work for a game developer, you will only be able to delete your Steam User Account after you have transferred this role to another user or have dissolved the business relationship. In some cases, considering the complexity and number of the requests
the period for Personal Data erasure may be extended, but for no longer than two further months. 6.4 Right to Object. When our processing of your Personal Data is based on legitimate interests according to Article 6(1)(f) of the GDPR / section 2.c) of this Privacy Policy, you have the right to object to this processing. If you object we will no longer
process your Personal Data unless there are compelling and prevailing legitimate grounds for the processing as described in Article 21 of the GDPR; in particular if the data is necessary for the establishment, exercise or defense of legal claims. You also have the right to lodge a complaint at a supervisory authority. 6.5 Right to restriction of processing
of your Personal Data You have the right to obtain restriction of processing of your Personal Data under the conditions set out in article 18 of the GDPR. 6.6 Right to Personal Data portability You have the right to receive your Personal Data to
another controller under the conditions set out in article 20 of the GDPR. Valve makes your Personal Data available in structured HTML format through the Privacy Dashboard as described above. 6.7 Right to establish guidelines
for the preservation, the deletion and the transmission of Personal Data after your death in accordance with article 40-1 of the Act No 78-17 of 6 January 1978 on Information, Technology, Data Files and Civil Liberties. 7. Children The minimum age to create a Steam User Account is 13. Valve will not knowingly collect Personal Data from children
under this age. Where certain countries apply a higher age of consent for the collection of Personal Data, Valve requires parental consent before a Steam User Account can be created and Personal Data associated with it collected. Valve encourages parents to instruct their children to never give out personal information when online. 8. Contact Info
You can contact Valve's data protection officer at the address below. While we review any request sent by mail, please be aware that to combat fraud, harassment and identity theft, the only way to access, rectify or delete your data is through logging in with your Steam User Account at and selecting the menu items -> My Account -> View Account
Data. Valve Corporation Att. Data Protection officer P.O. Box 1688 Bellevue, WA 98009 EU representative for data protection questions: RIVACY Ltd. 71, Warriner Gardens, Unit G1/G2 London, SW11 4DX United Kingdom 9.

of charge) at . As explained in the Privacy Shield documentation (certain residual claims not resolved by other means may be subject to binding arbitration for Users from California The CCPA grants California residents certain privacy rights regarding the
Personal Data we collect. We are committed to respect to them. Right to Know. Under the CCPA you have the rights and Valve's practices with respect to them. Right to Request Deletion. You
also gives California residents a right to opt-out from the sale of their Personal Data. As described in section 5, we do not sell Personal Data and have not done so in the past 12 months. You also have a right to receive notice of our practices at or before collection of your Personal Data. Finally, you have a right to not be discriminated against for
exercising your rights under the CCPA. Exercising Your Rights. The primary means of accessing, managing or deleting your Personal Data is through the Privacy Dashboard, as described in section 6.3 of this Privacy Policy. If you are
unable to access or delete data through the Privacy Dashboard, you can also contact us with a request to exercise these rights by using the form. Finally, you can contact us with a request at questions@valvesoftware.com, however, before providing
access to, or deleting any, Personal Data, based on a request received via email, we will need to verify your identity utilizing the "Proof of Ownership" process described at . You may designate, in writing or through a power of attorney, an authorized agent to make requests on your behalf to exercise your rights under the CCPA. Before accepting such
a request from an agent, we will require the agent to provide proof you have authorized it to act on your behalf, and we may need you to verify your identity directly with us. Categories of Personal Data described in section 3 of
February 16, 2022 Page 8 Valve respects the privacy of its online visitors and customers of its products and services and complies with applicable laws for the protection of your privacy, including, without limitation, the California Consumer Privacy Act ("CCPA"), the European Union General Data Protection Regulation ("GDPR"), the UK GDPR, and services and complies with applicable laws for the protection of your privacy, including, without limitation, the California Consumer Privacy Act ("CCPA"), the European Union General Data Protection of your privacy, including, without limitation, the California Consumer Privacy Act ("CCPA"), the European Union General Data Protection Regulation ("GDPR"), the UK GDPR, and the European Union General Data Protection Regulation ("GDPR"), the UK GDPR, and the European Union General Data Protection Regulation ("GDPR"), the UK GDPR, and the European Union General Data Protection Regulation ("GDPR"), the UK GDPR ("GDPR"), the European Union General Data Protection Regulation ("GDPR"), the UK GDPR ("GDPR"), the European Union General Data Protection Regulation ("GDPR"), the UK GDPR ("GDPR"), the UK GDPR"), the UK GDPR ("GDPR"), the UK GDP
the Swiss and EU Privacy Shield Frameworks. 1. Definitions Wherever we talk about Personally Identifying Information. Valve also processes anonymous data
aggregated or not, to analyze and produce statistics related to the habits, usage patterns, and demographics of customers as a group or as individuals. Such anonymous data, aggregated or not, with third parties. Other capitalized terms in this
Privacy Policy shall have the meanings defined in the Steam Subscriber Agreement ("SSA"). 2. Why Valve Collects and Processes Data Valve collects and processes Personal Data for the following reasons: a) where it is necessary for the performance of our agreement with you to provide a full-featured gaming service and deliver associated Content
and Services; b) where it is necessary for compliance with legal obligations to keep certain information under tax laws); c) where it is necessary for compliance with legal obligations to keep certain information under tax laws); c) where it is necessary for the purposes of the legitimate and legal interests of valve or a third party (e.g. the interests of our other customers), except where such interests are overriddent of the legitimate and legal interests of valve or a third party (e.g. the interests of our other customers), except where such interests are overriddent of the legitimate and legal interests of valve or a third party (e.g. the interests of our other customers), except where such interests are overriddent of the legitimate and legal interests of our other customers.
by your prevailing legitimate interests and rights; or d) where you have given consent to it. These reasons for collecting and processing Personal Data determine and limit what Personal Data we collect and how we use it (section 3. below), how long we store it (section 4. below), who has access to it (section 5. below) and what rights and other control
 mechanisms are available to you as a user (section 6. below). 3. The Types and Sources of Data We Collect 3.1 Basic Account Data When setting up an Account, Valve will collect your email address and country of residence. You are also required to choose a user name and a password. The provision of this information is necessary to register a Steam
 User Account. During setup of your account, the account is automatically assigned a number (the "Steam ID") that is later used to reference you to provide or use your real name for the setup of a Steam User Account. 3.2 Transaction and
Payment Data In order to make a transaction on Steam (e.g. to purchase Subscriptions for Content and Services or to fund your Steam Wallet), you may need to provide typical credit card information (name, address, credit card number, expiration date and
security code) to Valve, which Valve will process and transmit to the payment service provider of your choice to enable the transaction and perform anti-fraud checks. Likewise, Valve will receive data from your payment service provider for the same reasons. 3.3 Other Data You Explicitly Submit We will collect and process Personal Data whenever you
explicitly provide it to us or send it as part of communication with others on Steam, e.g. in Steam Community Forums, chats, or when you provide when
you request information or support from us or purchase Content and Services from us, including information powers your orders with the relevant payment merchant or, in case of physical goods, shipping providers; Information you provide to us when participating in competitions, contests and tournaments or responding to surveys, e.g.
your contact details. 3.4 Your Use of the Steam Client and Websites We collect a variety of information through your general interaction with the websites, Content and Services offered by Steam. Personal Data we collect may include, but is not limited to, browser and device information, data collected through automated electronic interactions and
application usage data. Likewise, we will track your process across our websites and applications to verify that you are not a bot and to optimize our services. 3.5 Your Use of Games and other Subscriptions In order to provide you with services.
"Content-Related Information" includes your Steam ID, as well as what is usually referred to as "game statistics". By game statistics we mean information about the device you are using, including what operating system you are using, device settings, unique device
identifiers, and crash data. 3.6 Tracking Data and Cookies We use "Cookies", which are text files placed on your computer, and similar technologies (e.g. web beacons, pixels, ad tags and device identifiers) to help us analyze how users use our services, as well as to improve the services we are offering, to improve marketing, analytics or website
functionality. The use of Cookies is standard on the internet. Although most web browsers automatically accept cookies, or to provide notification whenever a cookie is sent to you. You may refuse the use of cookies by selecting
the appropriate settings on your browser. The management of the use of cookies for each browser is further detailed on the following help page: . However, please note that if you do this, you may not be able to access the full functionality of our websites. When you visit any of our services, our services, our services, our services, our services, which is a number that is
automatically assigned to the network your computer is part of. 3.7 Content Recommendations We may process information collected under this section 3 so that content, products and services shown on the pages of the Steam Client can be tailored to meet your needs and populated
with relevant recommendations and offers. This is done to improve your customer experience. You can prevent the processing of your data in this way by turning off the automatic loading of the Steam store page and of Steam notifications in the "Interface" section of the Steam Client settings. Subject to your separate consent or where explicitly
permitted under applicable laws on email marketing. Valve may send you marketing messages about products and services offered by Valve to your email address. In such a case we may also use your collected information to customize such marketing messages and which links in
their text you followed. You can opt out or withdraw your consent to receive marketing emails at any time by either withdrawing the consent on the same page where you previously provided it or clicking the "unsubscribe" link provided in every marketing emails. Alternatively, you can select what kinds of emails you wish to receive on the email setting
page. 3.8 Information Required to Detect Violations We collect certain data that is required for our detection, investigation and prevention of fraud, cheating and other violations We collect certain data that is required for our detection, investigation and prevention of fraud, cheating on of such
Violations and stored only for the minimum amount of time needed for this purpose. If the data indicates that a Violation has occurred, we will further store the data for the establishment, exercise or defense of legal claims during the applicable statute of limitations or until a legal case related to it has been resolved. Please note that the specific data
stored for this purpose may not be disclosed to you if the disclosure will compromise the mechanism through which we detect, investigate and prevent such Violations. 4. How Long We Store Data We will only store your information as long as necessary to fulfil the purposes for which the information is collected and prevent such Violations.
applicable law provides for longer storage and retention period — for the storage and retention period by law. After that your Personal Data will be deleted, blocked or anonymized, as provided by applicable law. In particular: If you terminate your Steam User Account, your Personal Data will be marked for deletion except to the degree legal
requirements or other prevailing legitimate purposes dictate a longer storage. In certain cases, Personal Data cannot be completely deleted in order to ensure the consistency of the gameplay experience or the Steam Community Market. For instance, matches you have played that affect other players' matchmaking data and scores will not be deleted;
rather, your connection to these matches will be permanently anonymized. Please note that Valve is required to retain transactional data under statutory commercial and tax law for a period of up to ten (10) years. If you withdraw your consent on which a processing of your Personal Data or of the Personal Data of your child is based, we will
delete your Personal Data or respectively the Personal Data of your child without undue delay to the extent that the collection and processing of the Personal Data was based on the withdrawn consent. If you exercise a right to object to the processing of your Personal Data, we will review your objection and delete your Personal Data that we
processed for the purpose to which you objected without undue delay, unless another legal basis for processing and retaining this data exists or unless applicable law requires us to retain the data. 5. Who Has Access to Data Valve does not sell Personal Data we
 collect as necessary for the following business purposes. 5.1 Valve and its subsidiaries may share your Personal Data with each other and use it to the degree necessary to achieve the purposes listed in section 2 above. In the event of a reorganization, sale or merger we may transfer Personal Data to the relevant third party subject to applicable laws.
5.2 We may also share your Personal Data with our third party service providers that provide customer support services in connection with goods, Content and Services distributed via Steam. Your Personal Data will be used in accordance with this Privacy Policy and only as far as this is necessary for performing customer support services. 5.3 In
accordance with internet standards, we may also share certain information (including your IP address and the identification of Steam content delivery network providers enable the
delivery of digital content you have requested, e.g. when using Steam, by using a system of distributed servers that deliver the content to you, based on your geographic location. 5.4 Google Analytics uses cookies to help the website
operators analyze how visitors use the site. The information generated by the cookie about the visitors' use of the website will generally be transmitted to and stored by Google on servers in the United States. On this website, IP anonymization has been activated. The IP addresses of users visiting Steam will be shortened. Only in exceptional cases will
a complete IP address be transferred to a Google server in the United States and shortened there. On behalf of the website activity, and to provide other services relating to website activity and internet usage for
website operators. Google will not associate the IP address transferred in the context of Google Analytics with any other data held by Google. You may refuse the tuse of cookies by selecting the appropriate settings on your browser. However, please note that in this case you may not be able to use the full functionality of this website. You can learn
more about how Google Analytics collects and uses data at www.google.com/policies/privacy/partners. Furthermore, you can prevent Google's collection and processing of data about your use of the website, by downloading and installing the browser plug-in through the following link: . 5.5 We make certain data related to your Steam User Account
available to other players and our partners through the Steamworks API. This information can be accessed by anyone by querying your Steam ID. At a minimum, the public persona name you have chosen to represent you on Steam and your Avatar picture are accessible this way, as well as whether you have received a ban for cheating in a multiplayer
game. The accessibility of any additional info about you can be controlled through your Steam Community user profile page; data publicly available on your profile page can be accessed automatically through the Steamworks API. In addition to the publicly available information, game developers and publishers have access to certain information from
the Steamworks API directly relating to the users of the game in question. Depending on which Steamworks services are implemented in the game it may also include leaderboard information, your progress in the game, achievements you have completed, your
multiplayer game matchmaking information, in-game items and other information needed to operate the game and provide support for it. For more information about you through the
Steamworks API such as your real name or your email address, any information you share about yourself on your public Steam Profile can be accessed through the Steam community includes message boards, forums and/or chat areas, where users can exchange ideas and
communicate with each other. When posting a message to a board, forum or chat area, please be aware that the information is being made publicly available online; therefore, you are doing so at your own risk. If your Personal Data is posted on one of our community forums against your will, please use the reporting function and the Steam help site
to request its removal. 5.7 Valve may allow you to link your Steam User Account to an account to the degree allowed by your consent at the time. If the
linking of the accounts requires the transmission of information about your person from Valve to a third party, you will be informed about it before the linking and the transmission of your information. The third party's use of your information will be subject to the third party's
privacy policy, which we encourage you to review. 5.8 Valve may release Personal Data to comply with court orders or laws and regulations that require us to disclose such information. 6. Your Rights and Control Mechanisms The data protection laws of the European Economic Area, United Kingdom, California, and other territories grant their
residents certain rights in relation to their Personal Data. While other jurisdictions may provide fewer statutory rights, we make the tools designed to exercise such rights available to our customers worldwide. (When we talk about the GDPR in this section, we mean the version of the GDPR that applies to you in the EU or UK). To allow you to exercise
your data protection rights in a simple way we are providing a dedicated section on the Steam support page at and choose the menu
items My Account -> Data Related to Your Steam Account. In most cases, you can access, manage, or delete Personal Data in the Privacy Dashboard, but you may also contact Valve with questions or requests via the contact processes described in sections 8 and 10 below. As a resident of the European Economic Area or United Kingdom you have the
following rights in relation to your Personal Data: 6.1 Right of Access. You have the right to access your Personal Data is retained, (ii) access to and/or (iii) duplicates of the Personal Data retained. You can use the right to access to your Personal Data is retained, (ii) access to and/or (iii) duplicates of the Personal Data retained. You can use the right to access to your Personal Data is retained.
Data through the Privacy Dashboard. If the request affects the rights and freedoms of others or is manifestly unfounded or excessive, we reserve the right to charge a reasonable fee (taking into account the administrative costs of providing the information or communication or taking the action requested) or refuse to act on the request. 6.2 Right to
Rectification. If we process your Personal Data is accurate or incomplete, you can change the information you provided via the Privacy Dashboard. 6.3. Right to
Erasure. You have the right to obtain deletion of Personal Data concerning you if the reason why we could collect it (see section 2. above) does not exist anymore or if there is another legal ground for its deletion via the Steam support page.
You can also request the deletion of your Steam User Account, you will lose access to Steam user account user access to Steam user account user access to Steam user ac
the Steam User Account for. We allow you to restore your Steam User Account during a grace period of 30 (thirty) days from the moment you request deletion of your loss of your account credentials or due to hacking. During the suspension period,
we will be able to finalize financial and other activities that you may have initiated before sending the Steam User Account deletion request. After the grace period, Personal Data associated with your account will be deleted subject to section 4. above. In some cases, deletion of your Steam User Account, and therefore Personal Data deletion, is
complicated. Namely, if your account has a business relationship with Valve, such as due to your work for a game developer, you will only be able to delete your Steam User Account after you have transferred this role to another user or have dissolved the business relationship. In some cases, considering the complexity and number of the requests,
the period for Personal Data erasure may be extended, but for no longer than two further months. 6.4 Right to Object. When our processing of your Personal Data is based on legitimate interests according to Article 6(1)(f) of the GDPR / section 2.c) of this Privacy Policy, you have the right to object to this processing. If you object we will no longer
```

process your Personal Data unless there are compelling and prevailing legitimate grounds for the establishment, exercise or defense of legal claims. You also have the right to lodge a complaint at a supervisory authority. 6.5 Right to restriction of processing of your Personal Data You have the right to obtain restriction of processing of your Personal Data under the conditions set out in article 18 of the GDPR. 6.6 Right to Personal Data portability You have the right to receive your Personal Data in a structured, commonly used and machine-readable format and have the right to transmit those data to another controller under the conditions set out in article 20 of the GDPR. Valve makes your Personal Data available in structured HTML format through the Privacy Dashboard as described above. 6.7 Right to establish guidelines for the preservation, the deletion and the transmission of Personal Data after your death in accordance with article 40-1 of the Act No 78-17 of 6 January 1978 on Information, Technology, Data Files and Civil Liberties. 7. Children The minimum age to create a Steam User Account is 13. Valve will not knowingly collect Personal Data from children under this age. Where certain countries apply a higher age of consent for the collection of Personal Data associated with it collected. Valve encourages parents to instruct their children to never give out personal information when online. 8. Contact Info You can contact Valve's data protection officer at the address below. While we review any request sent by mail, please be aware that to combat fraud, harassment and identity theft, the only way to access, rectify or delete your data is through logging in with your Steam User Account at and selecting the menu items -> My Account -> View Account Data. Valve Corporation Att. Data Protection officer P.O. Box 1688 Bellevue, WA 98009 EU representative for data protection questions: RIVACY Ltd. 71, Warriner Gardens, Unit G1/G2 London, SW11 4DX United Kingdom 9. Additional Information for Users from the European Economic Area or United Kingdom, in countries which may not have equivalent data protection law. If we do so, we will take steps to ensure your personal information is protected by appropriate legal safeguards, like EU or UK standard contractual clauses, and that it is treated securely and in accordance with this privacy Shield have been ruled invalid as a legal basis for data transfers to the U.S., Valve and TR Technical Services Inc., its wholly-owned U.S. subsidiary (collectively "Valve") continue to comply with the Privacy Shield Principles with respect to any Personal Data transferred from the EU, UK, and Switzerland to the United States in reliance on the Privacy Shield Principles shall govern. To learn more about the Privacy Shield program, and to view our certification, please visit. The Federal Trade Commission has jurisdiction over Valve's compliance with the Privacy Shield Principles. Under the Privacy Shield Principles, Valve shall remain liable if third party agents process the personal information on our behalf in a manner inconsistent with the Principles, unless Valve proves it is not responsible for the event giving rise to the damage. EU, UK and Swiss individuals with inquiries or complaints regarding our comp of charge) at . As explained in the Privacy Shield documentation (certain residual claims not resolved by other means may be subject to binding arbitration. In such event, an arbitration option will be made available to you. 10. Additional Information for Users from California The CCPA grants California residents certain privacy rights regarding the Personal Data we collect. We are committed to respect to them. Right to Know. Under the CCPA you have the rights and Valve's practices with respect to them. Right to Request Deletion. You also have the right to request deletion of Personal Data that is in our possession, subject to certain exceptions. Please note that your request to delete information for reasons set forth in this Privacy Policy or as permitted by the CCPA. Other Rights. The CCPA also gives California residents a right to opt-out from the sale of their Personal Data. As described in section 5, we do not sell Personal Data and have not done so in the past 12 months. You also have a right to receive notice of our practices at or before collection of your Personal Data. Finally, you have a right to not be discriminated against for exercising your rights under the CCPA. Exercising Your Rights. The primary means of accessing, managing or deleting your Personal Data is through the Privacy Dashboard, as described in section 6.3 of this Privacy Policy. If you are unable to access or delete data through the Privacy Dashboard, you can also contact us with a request to exercise these rights by using the form found at . To verify your identity, you will need to log in with your Steam User Account to use the form found at . To verify your identity, you can contact us with a request at questions@valvesoftware.com, however, before providing access to, or deleting any, Personal Data, based on a request received via email, we will need to verify your identity utilizing the "Proof of Ownership" process described at . You may designate, in writing or through a power of attorney, an authorized agent to make requests on your behalf to exercise your rights under the CCPA. Before accepting such a request from an agent, we will require the agent to provide proof you have authorized it to act on your behalf, and we may need you to verify your identity directly with us. Categories, Sources, Purposes, and Recipients of the Data We Collect. Over the preceding 12 months, we have collected the categories of Personal Data described in section 3 of this Privacy Policy. The sources from which we collect Personal Data, and the purposes for which we collect and process it, are described in section 5.
